

Silver Creek High School Students: Engaged, Caring and Active

Silver Creek High School students are engaged, caring and active. Ten students, with the support of the WOW Students, collected money and bags of food for Paws "4" Hunger. This collaborative fundraising endeavour between the Blaine County Animal Shelter and the Hunger Coalition helps families struggling to make ends meet keep their beloved pets fed during hard times.

Placing donation jars at The Barkin' Basement, 5B Paws n Claws, Jane's in Hailey and The Community Campus, students collected \$100 in cash and change and 7 bags of food for beloved pets. WOW Students donated \$250 dollars to the cause on behalf of the student's efforts.

Students gained knowledge about the Blaine County Animal Shelter's no-kill policy, the importance of spaying and neutering pets, tagging pets and the process of preparing dogs and cats for adoption.

Special Thanks to the Blaine County Animal Shelter's Brittany Farrell, Mr. Porth, SCHS Science Teacher and Mike Glenn, SCHS Principal and WOW Students.
