WOW Students plans to engage all 4,000 of the K thru 12 students in our community (public and private schools) in generosity by creating programs that will allow students to invest their time, talent and treasure to help the social profits (non-profits) serving our community meet their mission. It is WOW Students' intent that this initiative will continue for the foreseeable future.

WOW Students believes that engaging our youth is essential for our community to grow and thrive. The challenges that exist in our community will be solved with the tools they will learn combined with their will to help. WOW Students believe that if we provide the

opportunity for our children to be generous, we empower them to change the world. WOW Students is committed to educating students about the importance of generosity and providing students with the knowledge and skills to continue this tradition throughout their lifetime.
