

FIRST GRADE*is fun!*

Keith's Crew: Finian, Emma, Finn, Brielle and Luci!

Recess Outside!

We have had an early spring and are enjoying warm weather, blue skies, and no snow! Children love to swing on the monkey bars, walk on stilts, jump on pogo sticks, and just run! Playing is a big part of first grade!

WOW PROJECT

The bake sale was a huge success. Children worked really hard making posters, baking, and marketing for the bake sale. We had a delicious selection of treats: brownies, cupcakes, cookies, muffins, breads and even gluten-free options. We counted up the profits and raised \$242 for the Animal Shelter.

This week we made cat nip socks for the cats at the Animal Shelter. The high schoolers helped us stuff the

socks with cotton and catnip and finally helped us sew the socks together. We hope the cats enjoy their presents!

Finally, we will be traveling down to the Shelter this month. We will get to see the fruits of our labor and shoot a video to help raise awareness for the Shelter.

We have loved helping the Animal Shelter this year!

May Events

Thursday, May 9th & Friday,
May 10th

Spring Outdoor Trip

First grade will be spending the first day on campus. Fathers will be joining us from 1:00-2:30 for tie flying and casting. The next day will travel to Silver Creek and Hayspur Fish Hatchery where we will be doing more fishing.

Tuesday, May 14th

Wood River Animal Shelter

We are heading down to the Animal Shelter to meet some new furry friends. We will leave campus at 9:30 AM and be back by lunch.

Friday, May 17th

Mother's Day Tea

From 1:30 to 2:30 PM we will be celebrating our moms with tea, cookies, and gifts.

Thursday, May 23rd

Invention Convention

Starting this week we will be learning more about inventions and inventors. We will also be creating our own invention posters to share with the class and the community on Thursday, May 23rd from 8:30-9:30 AM.

Monday, May 27th

Memorial Day, No School

Thursday, May 30th

Field Day and Last Day of School
(more information to come)
