

# The Connection

June 2013

"Enriching Lives Together"

It's what each of us sows, and how, that gives us character and prestige. Seeds of kindness, goodwill, and human understanding, planted in fertile soil, spring up into deathless friendships, big deeds of worth, and a memory that will not soon fade out. We are all sowers of seeds-and let us never forget it!

George Matthew Adams

Thank You WOW for giving the youth of our valley the opportunity to know what its like to give back to their community, and how it impacts the lives of those they have selected to receive their donations.
