Wicked Spud
Saigon Nails
Wise Guy
KB's Burritos

Ketchum:

DL Evans Bank
Atkinson's
Veltex
Java
Main Street Market
Base Camp on Warm Springs

Thank You, WOW Students!

Many thanks to Morley Golden and our local [WOW Students](#), for their donation to Holiday Baskets! The goal of WOW students is to partner with local nonprofits (like the SVBR Community Foundation) to create "generosity experiences" for all classrooms in the Wood River Valley. It's generosity like this that makes Holiday Baskets possible!

I took this picture as the sixth graders gathered to present the check to the SVBR Community Foundation. Over \$6000 dollars was raised in support of Holiday Baskets. Over 250 books were also donated with sweet handwritten messages from the students inside each one. Students also generated additional cash by making inspirational buttons which they sold and then donated the proceeds to help Holiday Baskets.

It's Not Too Late to Donate!

Just because Distribution Days are almost behind us doesn't mean our work is over! We rely on donations during the holidays to help fund our costs (toys, food, etc) that make Holiday Baskets happen.

Donate **NOW** online ([click here](#)) or call Robin at (208) 720-2905. (Your donations go to work immediately!)

You can also make a donation in our SVBR Holiday Baskets cans placed around the Valley (see list on left).
