

## CHAIRLIFT GETS A FACELIFT

The Hailey Elementary School's fifth-grade Art Club has been meeting after school on Wednesdays to work on a WOW Project. They were given a double chair from the old Quarter Dollar chairlift by Rotarun Ski Area and asked to decorate it. The students came up with the concept of making the chair look wintry. The chair will be auctioned off at the Rotarun Winter Carnival. The WOW Student Generosity Project is a partnership between the Wood River Foundation and area schools. Students in kindergarten through 12th grade receive \$25 to donate to local nonprofits of their choice, and teachers choose nonprofit projects for the students to donate their time to. Pictured from left are Maddison Gittins, Malia Foley, Carter Busdon, Romy Raziano, Solomon Bolivar and Olivia Adams.
