

Movie screening to benefit Advocates

Posted: Wednesday, February 4, 2015 4:00 am

The Community School's second-grade will present a free showing of Disney Pixar's movie "Toy Story" on Friday, Feb. 6, at 6 p.m. in the Community School Theatre. The event is open to the public and is a fundraiser for The Advocates, which will benefit from funds received from the sales of popcorn and water. Donations will also be accepted. The evening is part of the class' annual Wow Project, a student philanthropy project in partnership with Wow-Students, a local program funded by the Wood River Foundation.

Doors open at 5:30 p.m. The second grade is also building a Buddy Bench as another part of their Wow Project in partnership with The Advocates. The bench is intended to foster friendship and eliminate loneliness on the playground. A short film about the importance of the Buddy Bench will also premiere at the Feb. 6 event. The film stars the second-grade class and was coordinated and produced by Peter Burke, Community School's upper school media specialist and elementary school drama teacher.
