

## Teaming Up with WOW-students

**THE LAND TRUST WAS HONORED** to team up with WOW-students this spring to work on several projects throughout the valley. Students from the Pioneer Montessori School, Wood River High and Middle Schools and Hailey Elementary all helped at projects from Elkhorn Creek to the Draper Wood River and Howard Preserves.

The Idaho Mountain Express was even kind enough to put a photo of the Elkhorn Creek planting on the cover of the newspaper. We look forward to many more projects with WOW-students and helping to “grow the next generation of generosity.”
